**Summer Village of Mewatha Beach
Council Meeting
Request for Decision**

SUBJECT: Trail closures

ISSUE BACKGROUND:

At our last meeting a motion was made and carried to put the posts back up at the evergreen municipal reserve as the reclamation work was completed and concern for municipal infrastructure damage was made.

Starting September 7th, I have received numerous emails, texts, and phone calls from concerned residents opposing this decision for varying reasons. Some examples are:

- mobility down to the beach as property owners age in place
- always respectful to the path when using with quads
- enjoyment of the lake (ex; taking kayaks, water sport equipment, docks/lifts, etc to boats/lake)

I would like to ask for clarification:

- 1) Are we going ahead with the Evergreen (MR3) & Beaver/Birch Road (MR4) Closure to quads?
- 2) If so, what style for evergreen (MR3) as the Beaver/Birch Road to (MR4) is waiting to get put up after the one call is completed.

Res. 016-08-22-26 MOVED by Deputy Mayor White that the posts at evergreen municipal reserve entrance be put back up. CARRIED

If not proceeding then the motion needs to be rescinded. Give clear direction as to the style, distance, color.

Council Meeting
Request for Decision**

SUBJECT: Alberta Summer Village Association Conference

ISSUE BACKGROUND:

I have requested on multiple occasions that someone commits to going to the conference from October 15 & 16th. Registration closes on September 30th so if anyone is interested or able to go, a motion gets made. There is no refund capability if registration to the conference is made and the individual registered is unable to attend. Also, there is a room booked from the 14-16th that can be cancelled 24 hours prior. The conference starts at 8:00 a.m. on the 15th will end about 12pm on the 16th so that is why I did not book the room for the evening of the 16th.

It certainly is a valuable conference and a networking event.

I will not be able to attend this year due to other commitments.
